Listing ID: 001461440069

We present a unique opportunity on the coast of El Salvador. A hotel for sale, with a prime location on the beautiful San Blas Beach, one of the fastest-growing tourist areas in the country. San Blas has become a key destination due to its location within the Surf City I circuit, its connectivity to the airport, and the increasing flow of international tourism, especially focused on surfing, relaxation, and beachfront experiences. Hotel Sabas is a property that combines location, functionality, and growth potential. It features spaces designed for tourist accommodation, inviting environments for relaxation, and beachfront experiences with spectacular sunsets. The hotel features a three-story building with 16 well-appointed rooms designed for a comfortable and enjoyable stay. A relaxed and inviting atmosphere surrounds the pool, and there's also a two-story ranch-style restaurant overlooking the sea.
