Discover a unique investment opportunity at La Ventana Beach, one of the most promising residential and tourism developments in Surf City 2. This property is ideal for those seeking a beach residence with strong appreciation potential and the flexibility to customize the final stages of construction to their preferences. The property is located within an exclusive residential community with direct access to more than 1,200 meters of beachfront along the Pacific Ocean, surrounded by nature, walking trails, and amenities designed for a private lifestyle connected to the natural environment. The house is currently approximately 70% completed and sits on a 508.89-square-meter lot. Construction began in late 2025, and the property already includes approximately 178 square meters of built area, including the main structure and progress on the second-level terrace. The architectural design includes a main entra...
