Guazapa

Listing ID: 002523785003

Ideal land for the construction of housing, agricultural use, industrial use, or family recreation space. I present to you this new investment opportunity —!!!! Located at Kilometer 28 on the Troncal del Norte Highway, Guazapa, San Salvador. 1085.33 m² of flat land in an urbanized subdivision with electricity, private drinking water, and a septic tank with current maintenance. Dreams begin with this property of 4 joined lots, as a single property, to build your project the way you want. In a privileged location, with great weather, surrounded by trees and environmental peace and quiet, in a developed area just minutes from Apopa and shopping centers. If you want to invest and build a family or business future such as a warehouse, production plant, or pasture with cattle — which is very useful in the area due to cattle commercialization — the land is suitable for any proje...
