Land for sale in Senderos del Mar Beach Residential, Playa El Palmarcito, with an area of 333.86 m² (approx. 478 square varas) and a beautiful open mountain view and beach. Ideal for building a vacation home, a rental investment property, or a permanent residence near the ocean. Located within a private residential community currently under development with high appreciation potential, the project will feature 24/7 security, a controlled access gate, clubhouse, children's playground, and a multi-purpose sports court, creating a safe, family-friendly environment surrounded by nature. All lots will have access to water and electricity, making it easy to begin construction and ensuring long-term convenience. We also offer direct developer financing, covering up to 80% of the property value with a preferential 6% annual interest rate—an opportunity that is difficult to find...
